

## Screening Process Details

Name	Lynnet Aching Onyango
Date And Time Initiated	20/11/2024, 11:49 AM
Onboarding Status	Approved
Risk Score	0.00%
Risk Status	LOW

## Sanction Details

No Response Found

## PEP Details

No Response Found

## Identification Result

Valid: No

**DISCLAIMER:** The information provided in this report is sourced from various databases and data partners. While every measure has been taken to ensure the accuracy of the information, you acknowledge that Prembly Limited, Identity Radar by Prembly, and its affiliates (referred to as “We”, Prembly”, “Our”, “Us”) cannot guarantee the accuracy or completeness of the contents of this report, as the information contained in this report is not the product of any independent investigation conducted by us, but an aggregation of data collected by licensed data partners. Consequently, you acknowledge that such information may contain errors and/or omissions on the part of the licensed data partners.

You also acknowledge that we cannot guarantee the accuracy of this report for a particular purpose, and so this report should not be considered as a recommendation or endorsement of any individual or entity. You are required to conduct your independent investigation and research on the subject-matter of this report and exercise your judgment when interpreting this report. Where you rely on the information contained in this report to make any business decision, you do so at your own risk, and Prembly shall not be liable to you for any loss, or damage that you may incur as a result of such reliance.

This report is confidential and is intended only for the recipient named herein. Any dissemination, distribution, or sharing of this report, in whole or in part, without Prembly express consent is strictly prohibited.

By accessing or using this report, you agree to indemnify and hold harmless Prembly and its affiliates from any claims, losses, liabilities, damages, costs, or expenses, including legal fees, arising out of or related to your use of the information provided herein.
